IQ INC. PARTNERS WITH THE PARENTAL STRESS CENTER OF PITTSBURGH IN THE FIGHT AGAINST SIDS!

September 16th, 2009, Pittsburgh, Pennsylvania: IQ Inc, a technical consulting and software development company, recently partnered with the Parental Stress Center of Pittsburgh to help increase awareness of Sudden Infant Death Syndrome (SIDS) in the Pittsburgh area. Throughout the month of August, IQ collected items which will be provided to low-income families at Safe Sleeping Workshops for parents. This initiative is part of IQ's 15 Year Anniversary Celebration which includes events throughout the year for clients, employees and their families, and the community.

The Parental Stress Center's mission is "to prevent child abuse and neglect. This is accomplished by providing education, counseling and supportive services to families and caregivers in southwestern Pennsylvania." To learn more about the Parental Stress Center of Pittsburgh and/or to make a donation please visit their website at www.pscfamily.net.

Barbara VanKirk established IQ Inc. in 1994 to provide expert consulting, staffing, project management and software development services to companies with Information Technology and software needs. IQ Inc. is a certified Women's Business Enterprise (WBE) and Disadvantaged Business Enterprise (DBE) through the Commonwealth of Pennsylvania, a certified Minority Business Enterprise (MBE) through the Port Authority of Allegheny County and a certified Women's Business Enterprise (WBENC) through the Women's Business National Council. IQ Inc. continues to benefit from steady growth and success under Barbara's leadership and celebrated its 15th year in business in October 2008.
